

Easter Activity Ideas Year 6

Draw and colour in a picture of an egg in the style of your favourite character.

Create your own Easter poem.

Challenge those you live with by creating your own Easter word search.

Write your own story which is centered on Easter.

Make your own Easter board game.

Design and make an Easter card for someone you live with.

As a family, create posters to stick in your windows at home with uplifting

BE KIND

messages for a passerby to see!

Easter Hunt! Hide a series of clues around your house for others to find and solve.

Design your own superhero and annotate their powers and what they would be used for.

Make a list of everything that makes you unique and special. Then make a list of all the things that make someone else you know unique and special.

Build a 'cave' or den in your home.

Design a poster for all the key workers thanking them for all the hard work they are doing.

Please check with an adult before carrying out an activity.
